

NEWMARKET

BUSINESS IMPROVEMENT DISTRICT

EIN #87-4519402

Back2Work Program

MISSION

Part of the mission of the Back2Work Program of the Newmarket BID is to change lives and provide workforce development for individuals experiencing homelessness and substance use disorders; all of our workers are working their way to return to life normalcy, full-time jobs, and stable housing.

This effort acknowledges the barriers that these individuals face in both applying for jobs, as well as, maintaining their employment. We have created a lower barrier approach to suit their needs.

SERVICES

- Street Cleaning
- Small Landscaping
- Warehouse Work
- Office Cleaning
- General Maintenance
- Power Washing
